January the 20th, 2011, Bucharest: **„Boștină and Associates” has recently boosted its public procurement department with the appointment of Lucia Ferendinos, who has joined to strengthen a team of over 130 lawyers and consultants.**

“At the end of 2010 we reviewed the volume of work in the public procurement sector and we concluded that it was on the rise. Amid this context, Lucia’s expertise perfectly matches our development plans”, says Managing Partner Doru Cătălin Boștină.

Lucia Ferendinos is a qualified lawyer, with over 12 years of experience in providing legal advice and representation in areas such as administrative law, civil law, Community law, labor law. Translated into practice, this means over 1000 files managed each year in terms of defence preparation, review and approval, or debt recovery action promotion.

Before coming aboard „Boștină and Associates”, Lucia worked as the Head of the Dispute Department of the Ministry of Agriculture and Rural Development. She contributed to the preparation and approval of manuals of procedures for the EU Funding payment units of AM-PNDR and AM-POP (the Authority for the Management of the National Rural Development Program and the Authority for the Management of the Fishing Operational Program, respectively), and to the checking and approval of the public procurement contracts executed in the application of those procedures. Moreover, she participated in the settlement of the disputes arising from the application of public procurement procedures, providing legal representation before law courts and C.N.S.C. (National Council for Solving Complaints). Lucia Ferendinos graduated from S.N.S.P.A. (National School for Political and Administrative Studies) with a Master’s Degree in *acquis communautaire*.

“In the long term, we will continue to analyse the demand for legal specialists and to adjust to market conditions. However, our door is always open to proficient, experienced lawyers,” added Doru Boștină.
