“Boștină & Associates” appoints new coordinator of the Litigations and Judicial Enforcement Department

November the 1st, 2011 – Bucharest. Starting November the 1st, 2011, Ovidiu Țibuleac is the new coordinator of Boștină & Associates’ Litigations and Judicial Enforcement Department. Ovidiu will coordinate the 15-strong legal team of the Litigation Department, including the courtroom work of the lawyers from the Law Firm’s 18 local offices.

Doru Cătălin Boștină, Managing Partner: “Due to the changes occurred in recent years in Romania’s economic landscape, our clients’ projects and matters have become ever more complex, and amid this background, we have lately adopted a number of organizational measures intended to make the boundaries between practice areas more flexible. I am fully confident that Ovidiu has all the capabilities needed to implement the new measures”.

Ovidiu Țibuleac has extensive expertise in the insurance/reinsurance field and very good knowledge of the laws on private pension funds. Moreover, the legal advice and assistance that he provided in the past cover specialized areas of commercial law, financial and tax law and civil law. He was a constant presence on many TV shows, especially on “The Money Channel”.

“I see this appointment as a professional challenge and I am positive that I and my team will achieve all the goals set for ourselves. If appropriate, I will consolidate the team with new appointments, namely lawyers that meet the professional performance parameters that I intend to follow from now on”, says Ovidiu Țibuleac.

Ovidiu Țibuleac joined “Boștină and Associates” in 2005 and became a partner with the Law Firm in 2009. Before that (i.e. in 2002-2005), Ovidiu worked for the Insurance Supervisory Commission, as General Manager of the Legal Department and the “Guarantee Fund” Department, respectively, where he actively contributed to the drafting of the legislative acts regulating insurances and reinsurances in Romania. In 1998-2002, Ovidiu was the head of the legal department of the Ministry of Public Finance.

“We will continue with personal and team evaluations, and we will bring aboard proficient lawyers, capable to add value to our team,” says Doru Boștină.
